Dear Justin:

Congratulations for earning a place on the *President's Honor Roll* for the first grading period. You should be very proud of this achievement. I hope that this honor motivates you to continue with your studies to accomplish your goals. Education will put you ahead in life and it is very important that you value and take advantage of it. As the Miami-Dade County Commissioner for District 13, I encourage you to stay on the path of success.

I am sure that I speak on behalf of your family, friends, teachers and school when I say that I am proud of your accomplishments. Keep up the good work!

Sincerely,
