Parent to Parent of Miami's Annual Journey of Dreams Benefit Awards

OVERVIEW

Established in 1986, Parent to Parent of Miami is a not for profit organization that provides information, peer support, educational training, coaching, and advocacy to families of children and adults with disabilities. Our parent network is comprised of over 14,000 families throughout Miami-Dade County.

Inspired by the calls of the families served every year, we started a planning committee to explore the options for this very important fundraiser. With a compassionate team of employees, board members and volunteers Parent to Parent of Miami launched its Inaugural *Journey of Dreams Benefit* on November 19th, 2004.

Why *Journey of Dreams*? As parents of children with disabilities, we all have the dream that they will be successful, happy and accepted by others in the community. The journey is ongoing, different for every family but when the dream is fulfilled the possibilities are endless!

Miami-Dade County is home to more than 37,000 students with disabilities and every parent has a Journey of Dreams for each of them. We know that there are many parents, brothers, sisters, relatives and other professionals that work endlessly every day to help students and families with their journey. We ask you to think about those you know at the local, state or national level that have made a difference in the life of a child or adult with a disability and nominate an everyday hero today!

Our *Journey of Dreams Benefit* is our signature fundraising event to celebrate, recognize and honor community members whose vision, leadership and perseverance have significantly contributed to improving the lives of children and adults with disabilities and their families. Individuals are honored in the following categories:

Excellence in Family Advocacy Award is bestowed upon an individual dedicated to promoting policies and practices that strengthen family unity.

IMPACT Award is bestowed to an individual who Inspires, Motivates, Promotes, Advocates, and through Community involvement became a Transformational leader.

Family Empowerment Award is bestowed upon a parent or caregiver who has accessed the services provided by Parent to Parent of Miami and as a result enriched their life with the knowledge and support necessary to improve their child's and family's outcomes.

Recipients will be honored at the annual Journey of Dreams Benefit.
